Dear Trung & Caroline Lu,

Thank you for choosing KidSport Vancouver as donation recipients for your ongoing BOXX Pool Champions fundraiser. We understand that you will be participating each year in the NHL regular season by putting together a hockey pool and raffle tickets.

Funds raised through this community fundraising initiative support families in Vancouver via, KidSport Vancouver Chapter.

KidSport Vancouver is a community driven funding program that provides registration grants for financially disadvantaged children aged 18 and under to participate in sport. By removing the financial barriers that exist for many families, KidSport allows children to participate in an activity they love, while keeping fit and learning valuable life lessons and skills. The BOXX Pool Champions ticket raffle funds will help us achieve this goal.

With support such as this, KidSport provides children with:

- The opportunity to enjoy a season of children's sport programming
- Healthy habits that will last their whole lives
- Access to mentorship and guidance from coaches

Community support helps us continue to grow closer to our vision: that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. We look forward to working with you in the coming months.

Yours in Sport,

Neil Smith
